

Odlo the Swiss company with Norwegian roots, was founded in 1946 and is currently represented worldwide in over 20 countries. As the originator of the three-layer principle and our unique sports underwear, we have become the market leader and pioneer in functional sportswear. Odlo outfits people with active lifestyles and renowned athletes alike throughout the world. At our headquarters in Hünenberg, Switzerland, we successfully unite our 70 years of experience with cutting-edge technology. We are looking for a

PRODUCT DEVELOPER (100%)

You will work in a passionate and experienced team of developers lead by a development Team Leader. In close collaboration with designers, product managers and pattern maker you will work in the Seamless & Cut/sew development team and take care for your assigned collection from prototyping until production release. You will work closely with our producer in Asia including onsite trips. Your responsibility will be to take care of all product specific data, technical drawings, construction notes, fittings, measurements as well as keep track of the collection lists and overviews and follow up on product costings.

To be successful in this position you have acquired in-depth knowledge in performance textiles. Experience in handling Seamless/Flat knit and Cut/Sew items would be an advantage. You have a degree from a textile or fashion college and have already gained 3 – 5 years of experience in the sports clothing or fashion industry. We are looking for an open minded person with passion for high quality sports apparel and technical solutions who likes to work in a dynamic team. To work self-responsible and flexible is your way of handling your daily business and you have good skills in Adobe Illustrator and MS-Office. A good level of written and spoken English completes your profile.

Are you interested to work within a dynamic organization in the exciting world of sports with strong ability for advancement? Can you identify with the Odlo brand? Then send us your complete application – we look forward to receiving it.
